HEADLINE: Professional Hospitality Solutions to implement IT and Point of Sale solutions for new franchise

BODY: Professional Hospitality Solutions awarded contract to implement IT and Point of Sale solutions for new franchise concept, "Dilly's Deli", developed by Shane Kelley and Jeff Winniger "Arizona sandwich Shops, Inc". Promotions by Global Restaurant Development Company, Phoenix, Arizona. Nationwide campaign.

FOR IMMEDIATE RELEASE--Anthem, Arizona--Professional Hospitality Solutions (PHS) was awarded the IT and Communications contract for a new restaurant franchise concept, "Dilly's Deli". PHS, along with technology partners Packet Pointe and Future POS "AACS", will implement satellite communications and Point Of Sale (POS) software for the new franchise development.

PHS, along with Packet Pointe and Future POS "AACS", implements innovative technology and communication solutions allowing clients to keep up-to-date in the ever changing and demanding Restaurant and Hospitality Markets. "Dilly's Deli" is promoted by Global Restaurant Development Company. The first implementation is expected to begin March 1st with additional locations opening throughout the Western region this year.
